

## COMMERCIAL SERVICE - MASTER TECHNICIAN

Do you enjoy working with commercial HVAC equipment? Do you like to build relationships with customers? If you are proud of your skills, interested in working hard, continuously learning new skills and stretching yourself professionally we are the company for you. We are looking for responsible self-starters with excellent diagnostic, troubleshooting and repair skills to work on a full range of commercial HVAC equipment. In addition to being an excellent technician you are able to communicate in a clear and concise manner and have a positive attitude, are a good team player, are eager to learn and have a desire to be the best.

### You bring:

1. Strong mechanical aptitude and solid knowledge of HVAC fundamentals
2. Excellent communication skills including successfully dealing with tenant issues
3. Ability to read and interpret blueprints, schematics, and operation manuals
4. Must have 7 to 10 years commercial service experience with large rooftop equipment (boxcars), airflow issues within buildings, VAVs, water source heat pumps, Lieberts, cooling towers and hydronic systems
5. Good knowledge of DDC controls
6. Enthusiastic attitude, high energy and a solid team player
7. Willingness and desire to teach team members
8. Computer literate
9. Trade school or industry certification a plus, i.e. Nate or UASTAR
10. Must have a good driving record

### We offer:

- Excellent pay based on proven experience and expertise
- Benefits package includes health, dental, life and accident insurance, paid holidays, vacation, paid training, 401K with company match and employee assistance program
- Our techs average 40 hours per week of interesting work
- 100+ hours of training per year
- Company vehicle and gas card for senior techs
- A stable, supportive, and team orientated work environment

Please email your resume to [hr@coacair.com](mailto:hr@coacair.com) or fax 916 381-3307.  
Pre-Employment Drug screening required

### About the Company

Cooper Oates Air Conditioning is a commercial heating and air conditioning company with a diverse commercial customer base. We have been in business in the Sacramento region for 36 years. We are a family owned and managed company with a strong reputation for honesty, integrity and value. We have a strategy of stable and consistent growth that builds on our past success. We provide service to customers within a 60 mile radius of Sacramento. The size of our service accounts varies from small office TIs to large commercial office buildings. For more information please see [www.coacair.com](http://www.coacair.com).

### Our Mission

To help customers increase the return on their building investment. We assist them in managing the full life-cycle cost of their air conditioning systems through efficient design, effective construction, dependable service and quality craftsmanship delivered by skilled professionals.
