HVAC Service Technician (Journey-Level)

Job Description

Do you enjoy servicing commercial HVAC equipment? Do you like to build relationships with customers? If you are proud of your skills, interested in working smart and hard, continuously learning new skills and stretching yourself professionally we are the company for you. We are looking for responsible self-starters with excellent diagnostic, troubleshooting and repair skills to work on a full range of commercial HVAC equipment. In addition to being an excellent technician you must be able to communicate in a clear and concise manner, have a positive attitude, are a good team player, are eager to learn and share your knowledge and mentor younger techs.

ESSENTIAL DUTIES (not all inclusive)

- Troubleshoot and service large building systems and controls including VAVs, VRFs, water source heat pumps, computer rooms, cooling towers, boilers and hydronic systems.
- Verify performance of electrical, heating and refrigeration sub-systems.
- Accurately document and communicate work performed.
- Create quotes for repairs and upgrades.

EXPERIENCE REQUIRED

- Must have 10+ years commercial service experience with rooftop equipment (from light commercial to boxcars), airflow issues within buildings, VAVs, VRFs, water source heat pumps, computer rooms, cooling towers, boilers and hydronic systems.
- Strong operating knowledge and experience with DDC and pneumatic controls.
- Ability to read and interpret blueprints, schematics, and operation manuals.
- Strong mechanical aptitude and solid knowledge of all aspects of commercial HVAC.
- Industry certification a plus, i.e. Intellipak, Liebert, VRF, etc.
- High standards for customer service.
- Excellent communication skills including successfully dealing with tenant issues.
- Enthusiastic attitude, high energy and a solid team player.
- Willingness and desire to teach and mentor team members.

Benefits:

100% of Health, Dental & Vision Insurance
Employee Assistance Program
401K Matching
Flexible Spending Account
Vacation & Holidays
Technology Support
Paid Training With a Commitment to
Continuous Learning
Average of 40+ Hours Per Week
